Company: CVS

Location: San Juan

Category: computer-and-mathematical

At CVS Health, our Pharmacy Technicians are at the forefront of our purpose of helping people on their path to better health. As a Pharmacy Technician in one of our retail stores, you'll use your knowledge and skills to help thousands of people in your community get the medications they need to live healthier lives. As the first point of contact for our patients and their caregivers, you'll have the opportunity to shape their customer experience and make each interaction outstanding. You'll be empowered to do this through a suite of tools and resources that help you and your team maintain operational excellence and provide custom services that save your patients time and money. As a member of the team, you'll accomplish your goals and contribute to something bigger - impacting patient lives.
